

MOTIONCOMPOSER ON STAGE WITH MC !

CONTENT

This workshop aims at illustrating the motto of MotionComposer: “Everyone who can move, can also make music and dance”.

This workshop offers the opportunity to create a performance together with the inventor of the MotionComposer, Robert Wechsler, and your team.

In collaboration with Palindrome Dance Company e.V., we offer to make a creative project at your institution.

PUBLIC

Everyone can participate. The MotionComposer can be used by every age-group and with persons of all abilities, no requirement for music and dance knowledge.

PARTICIPANTS

Max 12 participants.

LENGTH

5 days. The planning of the week is made with you, according to the number of participants and the scheduling of your internal organization.

TECHNICAL REQUIREMENTS

The workshop room should be min. 6x6 meters to allow free movements. Make sure to provide a table, a chair and electricity.

PRICE

5.500€ for 5 days (15 hours) plus transportation and accommodation.
