

MOTIONCOMPOSER

WORKSHOP FOR ALL

1 DAY

The MotionComposer is an ideal tool for promoting inclusion, participation and well-being. Interactive music environments enable a low-threshold and very personal expression via non-verbal means. In addition, dancing and making music together promises a lot of fun for all participants.

TARGET GROUPS

The MotionComposer can be used by any age group and with people of all abilities, even with severe cognitive or physical impairments. Staff members (caregivers, therapists, educators, etc.) are invited to participate. Parents are also welcome.

PARTICIPANTS AND SCHEDULE

One-day workshop from 18 to 30 participants (plus care takers), in small groups of 4-6 participants each.

The exact schedule will be planned with you in advance, according to the number of participants and your internal organization.

The typical duration of the workshop is 6 hours, including lunch break.

TECHNICAL REQUIREMENTS

The workshop room should be at least 6x6 meters.

We need a table, chairs and a power connection.

PRICE

From 890 € before VAT* for 1 day with 18 participants.

Large numbers of participants may require multiple workshop leaders and more than one MotionComposer. Offer on request.
